Rational for Dual PhD
(institutional / faculty / departmental level)

- To capitalise on existing institutional cooperation formalised in a framework agreement
- To give effect to institutional strategies (internationalisation) and Faculty /Departmental initiatives
- To formalise existing scientific cooperation between individuals /research groups
- To share resources and expertise to benefit all parties
- Successful candidate to serve as catalyst for more students to do dual PhD

Final words – Dual PhD anyone?

It takes a few months to process a Dual PhD application, including finding the right supervisors, getting financial assistance, navigating the paperwork and arranging the logistics, which is why it's worth thinking about today.

Can the existing PhD candidate to apply? From the University or UM?

Thank you.

LOKESH BONTHA VENKAT... to Everyone

Do the faculty need to have an approved Dual PhD programme?

Muhammad Irsyad Bin Zaini to Everyone

At which point in time do students need to apply for a Dual PhD programme? Before submitting an application or after getting an offer letter? Is the application process is the same as applying for the normal PhD programme through MAYA portal?

Who can see your messages? Recording On

To: Everyone
